GET OUT OF DOORS AND LIVE IN AN ADAMS MOTORBUNGALO

Go South and West in One

FEB 17 1922
WASHINGTON, D. C.

A comfortable little home on wheels, that follows your car everywhere. Ideal for week-end trips to the mountains, lake or seashore, fishing or hunting expeditions, or a trans-continental tour, and to spend the winter within FLORIDA. You can idle along in care-free happiness, independent of train schedules and hotel accommodations.

Garden City, N.Y.

The Adams Folding Motorbungalo

is a comfortable motor camp, affording complete and ample sleeping, cooking and eating accommodations for a party of four. Perfect protection from inclement weather and annoying insects. Large screened windows on all sides, beds stand $3\frac{1}{2}$ feet from ground. Cupboards accessible from interior or exterior. Kitchenette a marvel of convenience.

Easily opened or closed in a few moments and the only Trailer made to open from the inside. No tent to raise, no poles to set up, no cots to unfold, no air mattresses to be pumped. Two full-sized beds, National springs and mattresses, folds compactly. Ample room inside for carrying everything necessary. Clear floor area of 4 ft. by 7 ft., affording good sized dining room inside during inclement weather. Full standing room.

With motorbungalo detached, your car can be used for trips to get supplies, mail, etc.

Specifications:

Inside Dimensions: open, length 7′, width 12′, heighth 6′2″. Closed, length 7′, width 3′, heighth 4′. Overall length, including draw bar 10′6″. Weight 650 lbs.
